Dear Prime Minister

I urge you to drop all charges against Farid al-Atrash and Issa Amro immediately and rescind military order 101. I also call on you to put an end to the harassment of Farid, Issa and other human rights defenders like them.

Farid and Issa want an end to Israeli settlements – a war crime stemming from Israel's 50-year occupation of Palestinian land. Dedicated to non-violence, the two activists brave constant attacks by soldiers and settlers. In February 2016, Issa and

Farid marched peacefully against settlements and the Israeli occupation. As a result, they face ludicrous charges clearly designed to obstruct their human rights work.

Yours sincerely
