Your Excellency

I urge you to overturn Clovis Razafimalala's prison sentence immediately. The environmental and human rights activist is doing everything he can to protect Madagascar's vanishing rainforest.

The country's rosewood trees are a precious resource under threat from a corrupt network of smugglers bent on selling them off in what has become a billion-dollar illegal trade. Clovis should be celebrated, rather than punished for his courageous efforts to save Madagascar's rainforest from wholesale destruction.

Yours sincerely
